

THE POWER OF SAFETY. THE EASE OF SIMPLICITY.

A smart solution for correctional facilities.

Zurn Ligature Resistant Floor Drains

Transform any existing Zurn OR competitor floor drain into a ligature-resistant solution in minutes.

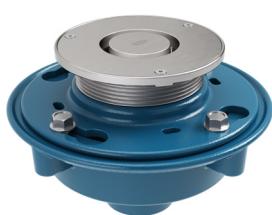

WHY THEY WORK SO WELL

- ✓ Patented radial baffle design that resists looping
- ✓ Best-in-class ligature-resistant strainer resists wedging
- ✓ Polished smooth-edged cut-resistant design
- ✓ Vandal-proof screws to prevent tampering and disassembly
- ✓ ADA and heel proof
- ✓ Effective water evacuation
- ✓ 304 stainless steel and nickel bronze materials available
- ✓ Easy to clean and maintain

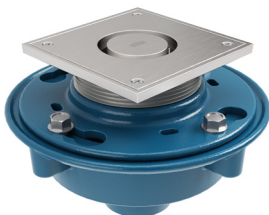

Made in USA models available!

AVAILABLE IN TWO OPTIONS: NEW-FIT AND RETROFIT

New-Fit: Perfect for new construction and major renovations. Also available with a Strainer Head Assembly designed for clamping Vinyl Flooring.

Z415-LR

Z415-LRS

Z415-H Top (NB)

Round only, 6".
Vinyl floor clamping ligature resistant drain

Retrofit: Easily transform any existing Zurn OR competitor floor drain into a ligature-resistant solution in minutes.

ZS400-LR

ZS400-LRS

PS400-LRS

PS400-LR

How it Works:

- 1) Unscrew existing strainer
- 2) Drop in Z400LR OR Z400RS (round/square)

You're done.

Retrofit Options: Zurn Tops or Strainers (NB and SS)—Round or square, 5" and 6" Compatible with competitor floor drains:

- Jay R. Smith Mfg. Co.* (SS): Round or square, 5" and 6"
- Watts® (SS): 5" Round and Square
- MIFAB® (SS): 5" Round and square
