**DISCLAIMER: By "ligature resistant," Zurn refers to the fact that this product is designed and manufactured to reduce the risk that it may be utilized as an apparatus for ligature. Zurn does not represent or warrant that this product is incapable of being used for ligature or ligature-free, and Zurn will not be liable for any claims, loss, or damages arising from ligature attachment on our products. This product is not a replacement for professionals who are trained in the proper evaluation, management, and supervision of persons at risk of self-harm or suicide. It is the purchaser's responsibility to ensure that products purchased and installed are suitable for the environments in which they are installed, and that suitable supervision and protective measures are in place to protect those at risk.
